GRAB THE WHEEL...

Welcome to the criminal underworld. You're a cop named Tanner and you're undercover...deep cover. Posing as a getaway driver for hire, you'll be ripping it up through the mean streets of the wildest urban jungles: New York, Los Angeles, San Francisco, and Miami.

Tailing unsuspecting victims. Picking up "shipments." And, of course, getting away from the big heists. You'll be doing it all (and then some) if you wanna make the big bust.

The only things you need to leave behind are a trail of blown red lights, dazed pedestrians, and burnt-out cop cars!

YOU ARE THE WHEELMAN!™

Unfolding storyline of intrigue and deception.

Real car physics and damage modeling brought to you by the creators of Destruction Derby™ 1 & 2

Over 40 missions of high speed action!

Direct your own 70's-style classic car chases with Director mode.
