

These Games Are Available FOR MORE PUZZLE FUN!

Puzzle Bobble®

Are you ready for some Arcade Action? Puzzle Bobble® is a fun, challenging game, simple in premise but filled with strategy as you play through 30 different rounds, aiming for higher and higher scores. Easy enough for kids to play, and tough enough for adults, as they battle their handheld. Features the official TAITO graphics and audio for the ultimate gaming experience!

Requirements: Palm OS® v3.5 or higher with Color display

Jumble® - that scrambled word game!™

With its signature art and humorous brainteasers, Jumble® provides tons of mind-boggling fun! Since 1954, fans around the country have turned to their newspaper for their daily Jumble fix. Now you can play it on your Palm anytime, anywhere. Unscramble each word then solve the Bonus answer to the cartoon riddle. Try it today and take the Jumble challenge!!

Requirements: Palm OS® v4.0 or higher

Jumble® for Kids™

Nothing beats Jumble® for Kids™ to introduce youngsters to the joy of scrambled wordplay. Young players can have a great time learning to solve the puzzles themselves, or better yet solve them with a family member. Fun riddles and cartoons are specifically geared to the 8-14 age group skill level and humor.

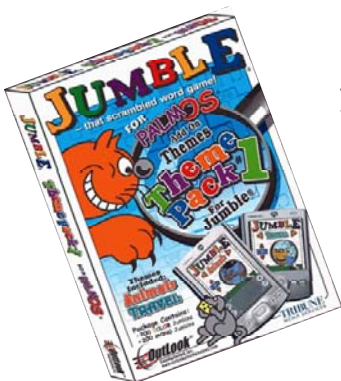

Requirements: Palm OS® v4.0 or higher with Color display

Jumble® Theme Packs 1 & 2

Increase your Jumble fun with these two add-on puzzle Theme Packs. Pick Theme 1, Animals and Travel or Theme 2, Romance and Summer Fun. Each pack has 200 more brain boggling puzzles featuring the Jumble signature artwork.

Requirements: Jumble®
