

Rebooter V1.1 for Series 80

A small OPL program to rebooting your Device.

The file Rebooter11.zip contains:

- 9500-opl-public-2004-11-28.sis (OPL Runtime for Nokia 9500/9300)
- Rebooter11.sis

New in Version 1.1:

- Only possible to install on drive C

Install this two files on your Communicator 9500/9300.

Visit my website and my OPL forum for newer versions and support !
